- Both RV Volunteers and Church Teams are volunteer ministries; therefore, we cannot guarantee that your project will receive volunteers in a given time frame.

- All new build projects must send copies of their building plans to keep on file.
- All projects must stay in regular contact with either the Field Representative or the Church Mobilization Office for the duration that the project is active.
- Projects receiving RVers must provide full hookups, free of charge to RV Volunteers.
- Projects receiving RVers will not be considered active until all necessary permits have been submitted.
- All projects will require District/Network approval. We recommend contacting them during the application process to inform them of the forthcoming approval request.
